Recommendations:

- Complete calendar (during Officers meeting)
- Post activities to K of C web site. Have future emails simply link to the activity page. Commit to keeping current!
- Web site: Combine “Membership” and “Membership Area”. Remove id and pw from access membership section.
- Web site: Include roster on web site under Membership page.
- Web site: Add access to K of C email on Membership page:
 - medinaknights@frontiernet.net
 - id = medinaknights
 - pw = brother
 - Members should use this email when communicating to membership whenever possible.
- Other web site issues:
 - Old material: For example Letter from James Burkhart, Agent, is still posted..
 - Activity posted: none (This makes the Council look bad.)
 - Volunteer activities: only ‘Special Olympics’.
 - Who is administering the site? i.e. no information is better than incorrect or dated material.
 - In summary: drop site altogether unless there is commitment to maintain.
