1) Thank-you Email from Penny Hatcher ...

Earl, (copy Karen Karn)

First of all, THANKS for sending out the email requesting heavy lifters at the HNOJ rummage sale last week. There were a lot of KCs who came and helped! Altho I wasn't there on Saturday for the clean up, I heard it went well.

Secondly, please thank them for us, the HNOJ Rummage Sale Committee members....and of course HNOJ and those who will benefit from the funds we earned (I don't know that amount yet!).
Penny Hatcher

2) Email from Jason Touw

Subject: Fwd: New Networking Event Announced in Bloomington

Dan,

As promised last night at church here are the details on the big networking event our council is hosting. Please share with any and all for us.

Early last week the Bloomington Knights of Columbus announced a public two-part event dubbed "Networking for a Cause" on Friday, July 19. At this event families are invited to dinner at Knights Hall at 5pm for a fish fry. At 7:40pm, they will reassemble at the [Feed My Starving Children facility in Chanhassen](#) to pack food for the hungry. "I am super excited to be helping host this **NEW** event for our council and would really like to encourage as many people to help support this great event and provide food to the hungry" says Jason A. Touw Volunteer Online Community Manager / Program Chair Bloomington Knights of Columbus. We are hoping to have members of the public attending as well as brother knights from all over the twin cities. That being said we need for you to register in advance by visiting <http://volunteer.fmsc.org/Register/Group/JoinGroup.aspx?gid=375902> as that way we know how many people we have attending the Feed My Starving Children portion of the evening.

All the details can be found at <http://www.kofcbloomington.com/networkingforacause13/> but I have also attached a copy of the flyer we were given by FMSC to this message.

Thanks in advance for the sharing of this wonderful opportunity to network with each other and give back to our community at the same time.

Vivat Jesus,

Jason A. Touw
Online Community Manager / Program Chair
