- HNOJ Property Enhancement Committee: Earl Forrence (Chair), Eugene Dust, Bill Swing
- Kessler has identified Mike Zylla as the HNOJ lead.
- Preliminary schedule for work is November 17th, 18th and 19th.
- Earl and Mike will be determining job details.
- Solicitation for volunteers will go out once details are finalized.
- Pizza and refreshments will be served – Council funded. (Council action required).

Emailed to KC Membership November 11th:

Early next week, 11/17 - 11/19, the Knights will be working with Building and Grounds Lead (and Brother Knight) Mike Zylla on the patching and painting of the sacristy and a part of the Good Samaritan Center. Council Lead and Church Director, Earl Forrence, will soon be providing specifics, i.e. timing, number of volunteers, etc. once he has confirmed details with Mike. Work will be in the evenings, i.e. after 6PM. Attachment #3: Rosary Project – 10/30/2014 Dinner Meeting

Date/Time/Location: Thursday 30th, 2014, 11AM, Perkins, 394 & Louisiana.

Attendees: Stu Walker, Marty Dehen, Laurie Swing, Bill Swing

Synopsis:

Objectives of the KC Rosary project were discussed. The targeted audience was discussed. The appropriate medium, i.e. KC web site, pamphlet, paperback, etc. was also discussed.

Stu Walker, an author of Christian books including "God Bless America: The Rosary" discussed his mission of promoting the Unity of Christian Religions through Education and the Principles of Stewardship and his use of published books and web sites.

Laurie discussed Fr. Arnold's book "The Active Christian" which is a compellation of his sermons and the process that it took to complete it.

It was concluded that the project should somehow support the Parish discipleship initiative and that "rosary miracle" submissions from parishioner (if that is what we do) be in time to allow for compiling and publishing/distributing in May 2015. The project should target the "rosary months" of May and October. A solicitation of "rosary miracle essays" from parishioners be done right after the 1st of the year. Selected articles would possibly be published in the Parish newsletter (in May and/or October). Publishing to the Council's web site would continue.

Discussion should continue. Solicit input from Council members.
